Become a "Friend" of The Bridges House!

2019 Friend Sponsor Form

We are excited to welcome you as a "Friend" of The Bridges House for the 2019 calendar year. Our Friends know their contributions are a cultural and historical investment, and we couldn't be more grateful and appreciative of their contributions.

The Bridges House is both a historical home and official residence of all New Hampshire sitting governors. This beautiful home was gifted to the state by Styles Bridges (Governor of NH 1935 term; Senator of NH from 1937-1961) and is a place where Granite Staters can relive the past, discover history, and experience New Hampshire's rich cultural heritage. Thank you for becoming a part of New Hampshire's history; your friendship, support, and participation are crucial for keeping The Bridges House the "People's House" for all of New Hampshire’s residents to encounter and enjoy.
